INDEX TO THE AGRICULTURAL • SITUATION •

For the Year 1944, Volume 28

A Brief Summary of Economic Conditions

Issued Monthly by the Bureau of Agricultural Economics
United States Department of Agriculture
Washington 25, D. C.

ISSUE

- ANNAND, P. H. Entomologists Help Increase Crop Yields August
- BAYLES, B. B. Improved Grains Bring Higher Yields March
- BAYTON, J. A. and R. W. HOECKER. Do Consumers Want
Dehydrated Foods? August
- BECKER, JOSEPH A. Wartime Changes in Crop Reporting March
- BRODELL, A. P., and M. R. COOPER. Milking Machines
Are War Tools January
- BRUTON, PHILIP G. Farm Labor Supply for 1944 February
- BURCH, D. S. Poultry Research Accents Utility July
- BURCH, D. S. Science Remodels Sheep May
- BURTIS, EDGAR L. Postwar Outlook for Oilseeds September
- BUTTER (see DAIRY PRODUCTS)
- CANADA:
Canadian Agricultural Situation by Montell Ogdon August
- CATTLE (see LIVESTOCK)
- CLARK, FAITH and G. LOIS NELSON. Nutritive Value of
U. S. Food Supply, 1930-43 January

COMMODITY REVIEWS:

Containers	June
Cotton	March, May, September, October, November, December
Credit	November
Dairy Products	February, March, April, May, June, July, August, September, October, November, December
Demand-Prices	May, October, November
Distribution	April, May, November
Equipment, Farm	June, August, November
Fats and Oils	January, March, June, August, October, November
Feed	January, May, June, July, September, October, November, December
Fertilizer	June, November
Fibers	January, March, April, May, June, September, October, November, December
Finance	November
Food	April, June, August, September, December
Fruit	February, March, April, May, June, July, August, October, November, December
Goals for 1944	April
Grains	February, April, May, June, July, August, September, November, December
Income, Farm	January, March, July, August, October, November
Insecticides	November
Labor, Farm	March, April, May, June, July, August, September, November
Land Values	November
Livestock	January, February, March, April, May, June, July, August, September, October, November, December
Living Costs, Farm	November
Lumber	August, November
Machinery, Farm	June, August, November
Planting Intentions	April

COMMODITY REVIEWS - Continued

Poultry and Eggs	January, February, March, April, May, June, July, August, September, November, December
Rye	January, November
Seeds	January, November
Storage, Cold	May
Sugar	October, November
Taxes, Income	February
Tobacco	February, May, July, September, October, November, December
Vegetables	February, April, May, June, July, August, September, October, November, December
Wheat	January, February, April, June, July, August, September, November
Wool	January, April, June, September, November

CONSUMPTION:

Do Consumers Want Dehydrated Foods?

by R. W. Hoecker and J. A. Bayton August

New Food Consumption Index by G. Lois Nelson September

Nutritive Value of U. S. Food Supply, 1930-43

by G. Lois Nelson and Faith Clark January

Nutritive Value of U. S. Food Supply, 1930-43

(charts) March

COOPER, MARTIN R., and A. P. BRODELL.

Milking Machines are War Tools January

COOPER, MAURICE R. The Cotton Situation September

COTTON (also see COMMODITY REVIEWS):

The Cotton Situation by Maurice R. Cooper September

Nutritive Value of Cottonseed Protein,

by D. Breese Jones October

Outlook for 1945 November

--	---------

EGGS (see POULTRY AND EGGS):

ELECTRICITY:

- Electric Pig Brooders Increase Yields,
by Dixon Merritt February

EQUIPMENT, FARM (also see COMMODITY REVIEWS):

- Farm Equipment Available in 1944,
by David Meeker February
- Farmers' Stake in Military Equipment,
by George E. Farrell April
- Milking Machines are War Tools,
by A. P. Brodell and M. R. Cooper January
- Outlook for 1945 November
- TPWP and Farm Woodlots,
by Alan Macdonald April

FARMERS:

- Farmers and the New Income Tax Law,
by Gerhard J. Isaac September
- Farmers' Stake in Military Equipment,
by George E. Farrell April
- A Rural-Urban Community Plans Ahead,
by T. R. Reed July
- Urban and Rural Price Indexes Differ,
by I. E. Wissinger August
- What Do Farmers Expect After the War?
by Arthur Raper and U. T. Summers October

FARMS:

- Are Farm Land Values Inflated?
by M. M. Regan April
- Do Larger Farms Pay Higher Wages,
by Louis J. Ducoff October
- Farm Fire Losses in 1943,
by V. N. Valgren January
- Farms for Soldiers and War Workers,
by Hugh H. Wooten and Gus Larson June
- Farm-Mortgage Debt Continues to Decline,
by Donald C. Horton and Haven D. Umstott April
- Forage Improvement in the Northeast,
by Irving F. Fellows and Merton S. Parsons July
- TPWP and Farm Woodlots,
by Alan Macdonald April
- Wartime Farming in Britain,
by Francis Flood September

FARRELL, GEORGE E. Farmers' Stake in Military Equipment . . . April

FATS AND OILS (*also see* COMMODITY REVIEWS):

Outlook for 1945 November
 Postwar Outlook for Oilseeds,
 by Edgar L. Burtis September
 Protein from Soybeans and Peanuts,
 by D. Breese Jones June

FEED (*also see* COMMODITY REVIEWS):

Forage Improvement in the Northeast,
 by Irvin F. Fellows and Merton S. Parsons July
 Livestock and Feed in 1944,
 by Robert M. Walsh March
 Nutritive Value of Cottonseed Protein,
 by D. Breese Jones October
 Outlook for 1945 November
 Protein from Soybeans and Peanuts,
 by D. Breese Jones June
 What's Happened to Feed and Livestock?
 by Franklin Thackrey June

FELLOWS, IRVING F. and MERTON S. PARSONS.

Forage Improvement in the Northeast July

FERTILIZER (*also see* COMMODITY REVIEWS):

Fertilizer Research and Crop Production,
 by R.O.E. Davis April
 Forage Improvement in the Northeast,
 by Irving F. Fellows and Merton S. Parsons July
 Outlook for 1945 November

FIBERS (*also see* COMMODITY REVIEWS):

The Cotton Situation,
 by Maurice R. Cooper September
 Outlook for 1945 November

FINANCE (*also see* COMMODITY REVIEWS):

Credit Outlook for 1945 November
 Farmers and the New Income Tax Law,
 by Gerhard J. Isaac September
 Farm Fire Losses in 1943,
 by V. N. Valgren January
 Farm-Mortgage Debt Continues to Decline,
 by Donald C. Horton and Haven D. Umstott April

FIRES:

- Farm Fire Losses in 1943,
by V. N. Valgren January

FLAX: (see FIBERS)

FLAXSEED (see FATS AND OILS)

FLOOD, FRANCIS. Wartime Farming in Britain September

FOOD (also see COMMODITY REVIEWS):

- Air Transport of Perishable Foods,
by R. W. Hoecker May
Do Consumers Want Dehydrated Foods?
by R. W. Hoecker and J. A. Bayton August
New Food Consumption Index,
by G. Lois Nelson September
Nutritive Value of Cottonseed Protein,
by D. Breese Jones October
Nutritive Value of U. S. Food Supply, 1930-43,
by G. Lois Nelson and Faith Clark January
Nutritive Value of U. S. Food Supply, 1930-43 (charts). . . March
Protein From Soybeans and Peanuts,
by D. Breese Jones June

FOREIGN AGRICULTURE:

- Canadian Agricultural Situation,
by Montell Ogdon August
Pyrethrum and Rotenone for the Americas,
by Lewis E. Long May
Wartime Farming in Britain,
by Francis Flood September

FOREIGN TRADE:

- Agricultural Prices: A Look Ahead,
by O. V. Wells September
The Cotton Situation,
by Maurice R. Cooper September
Postwar Outlook for Oilseeds,
by Edgar L. Burtis September
Postwar Outlook for Wheat,
by Robert E. Post October
Pyrethrum and Rotenone for the Americas,
by Lewis E. Long May

FRUIT (*also see* COMMODITY REVIEWS):

- Fruit Production Prospects for 1944,
by Cary D. Palmer and Reginald Royston March
Outlook for 1945 November

GARDENS:

- 22 Million Victory Gardens,
by Ernest G. Moore February

- GIBBONS, C. A. 1943 Cash Farm Income March

GOALS FOR 1944 (*also see* COMMODITY REVIEWS):

- The Why of the 1944 Agricultural Goals,
by Sherman E. Johnson February

GRAINS (*also see* COMMODITY REVIEWS):

- Improved Grains Bring Higher Yields,
by B. B. Bayles March
Outlook for 1945 November
Postwar Outlook for Wheat,
by Robert E. Post October

GREAT BRITAIN:

- Wartime Farming in Britain,
by Francis Flood September

- HAM, WILLIAM T. Stabilization of Farm Wages January

- HERRMANN, LOUIS F. More Milk Goes to Market Whole June

- HILL, GEORGE W. Farm Labor Today and Tomorrow August

- HOECKER, R. W. Air Transport of Perishable Foods May

- HOECKER, R. W. and J. A. BAYTON.

- Do Consumers Want Dehydrated Foods? August

HOGS (*see* LIVESTOCK)HORSES AND MULES (*see* LIVESTOCK)

- HORTON, DONALD C. and HAVEN D. UMSTOTT.

- Farm-Mortgage Debt Continues to Decline April

INCOME, FARM (*also see* COMMODITY REVIEWS):

1943 Cash Farm Income,

by C. A. Gibbons March

Outlook for 1945 November

INDUSTRY:

A Rural-Urban Community Plans Ahead,

by T. R. Reed July

INFLATION:

Are Farm Land Values Inflated?

by M. M. Regan April

Stabilization of Farm Wages,

by William T. Ham January
